Speaker

Bubba.

Speaker 1

Yes, my son.

Speaker 3

Tell me a story.

Speaker 1

Which one?

Speaker 2

The story of home.

Speaker 1

Millions of years ago. A meteorite made of vibranium. The strongest substance in the universe struck the continent of Africa. Affecting the plant life around it and when the time of men came, 5 tribes settled on it and called it were candour. The tribes lived in constant war with each other until her warrior shone. Received a vision from the Panther goddess burst, who led him to the heart-shaped. A plant that granted him superhuman strength, speed and instincts, the warrior became king and the first Black Panther, the protector of Wakanda. For tribes agreed to live under the King's rule, but the Jabari tribe isolated themselves in the mountains. There were condoms used vibranium to develop technology more advanced than any other nation. But as Wakanda thrived the world around it descended further into chaos. To keep Vibranium safe, the Wakandans vowed to hide in plain sight, keeping the truth of their power from the outside world.

Speaker 5

And we still hate Bubba.

Speaker 4

Yes.

Speaker

Why?

Speaker 6

No.

Speaker

Break in class.

Speaker 7

That's.

Speaker 8

She got. She got what?

Speaker 1

Hey, look, if we get in and out quick won't be. No worries you in the van. Come into from the West, come around the corner. Land right here. Me and the twins pulling up right here. We leaving this car behind? OK, we're coming.

Speaker 9

Had the straps.

Speaker 10

Yeah, is the third.

Speaker 1

No.

Speaker 11

These two Grace Jones looking chicks.

Speaker 1

They own Spears. Open it.

Speaker 12

You serious?

Speaker 1

They won't knock again.

Speaker 12

Bunny.

Speaker 7

Monica list.

Speaker 4

Leave us. This is James.

Speaker 1

I trust him with my life. He stays with your permission, King Tachanka.

Speaker 4

As you wish. At ease. Sanjam dagama. Let me see how you are holding up.

Speaker 1

You look strong. Glory to bath time and good health. How is home?

Speaker 4

Not so good. Dawit. There has been an attack this man. Ulysses Claw stole 1/4 tonne of vibranium from US and triggered the bomb at the border to escape. Many lives were lost. He knew where we hit the vibranium and how to strike. He had someone on the inside.

Speaker 1

Where are you here?

Speaker 4

Because I want you to look me in the eyes. And tell me why you betrayed Wakanda.

Speaker 1

I did no such thing.

Speaker 13

Son number, do what?

Speaker 1

James. Change you. Let me.

Speaker 12

Leave him. What would you like to be like?

Speaker 4

Stand. Down. Did you think that you were the only spy we sent here? Rinse and jobo. You will return home at once where you will face the Council and inform them of your crimes.

Speaker

Look up.

Speaker 8

Got me, got me.

Speaker 10

This.

Speaker 14

No.

Speaker 15

The tiny nation of Wakanda is mourning the death of its monarch, king Tachanka. The beloved ruler was one of many confirmed dead after a terrorist attack at the United Nations a week ago. The suspect has since been apprehended, though remains one of the poorest countries in the world, fortified by mountain ranges. And an impenetrable rainforest. Wakanda does not engage in international trade or accept aid. The succession of the throne is expected to fall to the oldest of the King's two children, Prince to Chala.

Speaker 16

My Prince. Coming up on them now.

Speaker 17

No need to call here. I can handle this alone.

Speaker 1

Hmm.

Speaker 17

I will get Nokia out as quickly as possible.

Speaker 16

Just don't. When you see him.

Speaker 17

What are you talking about? I never freeze.

Speaker 18

Umm.

Speaker 12

What's going on?

Speaker 1

That's fine.

Speaker 2

What's that?

Speaker 17

They cannot start the engine.

Speaker 19

Question.

Speaker 12

What is it, captain?

Speaker 8

Defence position, defence position, defence position.

Speaker 20

They're around to the side.

Speaker 1

Defence positions.

Speaker 20

Positions.

Speaker 10

No games.

Speaker 13

What is?

Speaker 12

Coming.

Speaker 21

Over there.

Speaker 7

This one's just a boy. She got kidnapped as well.

Speaker 18

Now.

Speaker 17

Nokia. Hi. I want it.

Speaker 6

Hey I have her. Don't move. I will shoot.

Speaker 16

You froze.

Speaker 7

Why are you here? He should ruined my mission.

Speaker 17

My father is dead, Nokia. I will be crowned king tomorrow. I wish for you to be there.

Speaker 7

Carry yourselves home now. And take the boy. Get him to his.

Speaker 16

People, thank you.

Speaker 14

Yeah.

Speaker 16

Speak nothing of this day.

Speaker 22

Yeah.

Speaker 14

Thank you.

Speaker 16

Sister nakia. My Prince. We are home.

Speaker

What's that?

Speaker 17

This never gets hard.

Speaker 7

Queen Mother. Princess. A comfort for. Your loss. Thank you, Nakia. It is so good to have you back with us.

Speaker 16

Take her to the River province to prepare for the ceremony.

Speaker 12

Yes.

Speaker 14

Did he phrase?

Speaker 16

Like an antelope in headlights.

Speaker 17

Are you finished? So surprised. My little sister came to see me off before her big day.

Speaker 14

You wish. I'm here for the amp beeps. I've developed an update.

Speaker 17

Update no, you have worked perfectly.

Speaker 14

How many times do I have to teach you? Just because something works doesn't mean that it cannot be.

Speaker 17

Improved. You are teaching me? What do you know?

Speaker 14

More than you.

Speaker 17

I can't wait to see what kind of update you make to your ceremonial outfits.

Speaker

Sorry.

Speaker 14

Sorry, mother.

Speaker 17

How are you feeling today, Mama?

Speaker 20

Rout.

Speaker 16

Your father and I will talk about this day.

Speaker 23

All the time. Easily thus.

Speaker 24

And it is your time to be king.

Speaker 23

Good morning. How can I help you?

Speaker 2

I'm just checking out these artefacts. They tell me you're the expert.

Speaker 23

You could say that.

Speaker 2

They're beautiful. Where is this one from?

Speaker 23

The Bobo Ashanti tribe, present day Ghana, 19th century.

Speaker 4

Well.

Speaker 2

What about this one?

Speaker 23

Once from the Edo, people have been in 16th century.

Speaker 2

Now tell me about this one.

Speaker 23

Also from Benin 7th century Fula tribe, I believe.

Speaker 2

Nah.

Speaker 23

I beg your pardon.

Speaker 2

It was taken by British soldiers in Benin, but it's from Wakanda and it's made out of vibranium. Don't trip. I'm gonna take it off your hands for you.

Speaker 23

These items aren't for sale.

Speaker 2

How do you think your ancestors got these? Do you think they paid a fair price, or did they take it like they took everything else?

Speaker 23

So I'm going to have to ask you to.

Speaker 2

Leave. You got all this security in here watching me. Ever since I walked in. But you ain't checking for what you put in your body.

Speaker 20

Alright mate, let's take it. Come on mate time.

Speaker 13

I think she might.

Speaker 2

Not be feeling too good, hey.

Speaker 19

Hey, somebody get some help. Come here. Come the doctor, please. Hey, please. Somebody.

Speaker 18

Can help.

Speaker 6

Right away in the West African exhibit played right away. It's the back please and back.

Speaker 23

I'm going to take a break.

Speaker 5

Let's give the ladies some space, please.

Speaker 12

Step back please change step back please.

Speaker 5

Hey, come here.

Speaker 9

Come here. Come. It's OK. Can go. We just don't tell anyone, all right?

Speaker 2

Why you want to shoot them, right?

Speaker 5

Here because it's better to leave the crime scene more spread out.

Speaker 9

Makes it look like amateurs. Now then, let's see if you know what you're talking about.
It's just a taste. You would be a rich boy.

Speaker

Sure.

Speaker 2

You better start that quick.

Speaker 5

Sell that he sell.

Speaker 2

Whatever you try, the condoms will probably show.

Speaker 5

Up. Well, that'll make my day.

Speaker 9

I can kill two birds with one stone.

Speaker 5

You know.

Speaker 9

Telling me that's my brain too.

Speaker 2

No, I'm just feeling it.

Speaker 25

Of course.

Speaker 12

Zuri. Son of Badu. Give to you.

Speaker 20

Prince.

Speaker 12

The black. In fact. The Prince. We now have the strength of the Black Panther. Stripped away.

Speaker 14

Hi.

Speaker 6

2.

Speaker 12

3. In literal combat. Comes by yield. Or death, if any, dry, which is to put forth a warrior I now offer. A path. To the throat.

Speaker 6

No.

Speaker 26

The merchant tribe will not challenge today.

Speaker 12

The border try will not challenge today.

Speaker 13

The river trend will not challenge today.

Speaker 8

The mining tribe will not challenge today.

Speaker 12

Is there any member of a royal blood? Which is to challenge for the throne.

Speaker 19

Let's go.

Speaker 14

This corset is really uncomfortable. So could we all just wrap it?

Speaker 21

Up and go home.

Speaker

Oh.

Speaker 6

Mass.

Speaker 1

Oh.

Speaker 14

I think your body moves.

Speaker 8

Oh.

Speaker 20

Baku.

Speaker 12

What are you doing here?

Speaker 27

It's challenge day.

Speaker

OK.

Speaker 6

We have watched. And listen from the mountains we have watched with disgust as your technological advancements have been overseen by child. Who scoffs at tradition. I know you want to hunt the nation over to this Prince.

Speaker 27

Who could not keep his own?

Speaker 6

Father.

Speaker 13

Safe.

Speaker 6

We will not have it. I said we will not have it all.

Speaker 18

Aye.

Speaker 6

Baku.

Speaker 1

Leader of the Jabari with.

Speaker 17

I accept your challenge.

Speaker 13

Baku.

Speaker 27

Glory to hanuman.

Speaker 6

Buddy.

Speaker 18

1,000,000.

Speaker 12

Let the challenge. Vicky.

Speaker 6

Oh. Not good.

Speaker

Right.

Speaker 18

It's.

Speaker 6

Where is your God now? Boy. No pause, no pause, no. No. Just the boy, not fit. No. Yeah. Oh. They have breached each other. You can do this.

Speaker 8

No.

Speaker 6

Don't make me kill you. Our.

Speaker 20

You have fought with honour that you. Your people need you.

Speaker 6

Here's one. Oh.

Speaker 12

And now present to you. Killing each other. The next. Panther.

Speaker 13

Isn't it?

Speaker 12

I can't.

Speaker 18

Yep.

Speaker 6

We'll go down.

Speaker 12

Allow the hardship to restore the powers of the Black Panther and take you to the ancestral play. Jaka we call. On you. Come here to your son. Tomako.

Speaker 13

The other one. Stand up. You are a king.

Speaker 17

Internet. And it's only in the red.

Speaker 13

One back.

Speaker 12

Cuba.

Speaker 13

The crash. Who clearly operates on anyone?

Speaker 17

That is not what I am talking about. I am not ready to be without you.

Speaker 13

A man who has not prepared his children for his own death has failed as a father. Have I ever failed you? Never.

Speaker 17

Tell me how to best protect Wakanda. I want to be a great king above. Just like you.

Speaker 13

You're going to struggle. So you'll need to surround yourself with people you trust.

Speaker 20

You're a good man.

Speaker 13

With a good heart. And his heart for a good man to be king.

Speaker 3

Huh.

Speaker 12

Yeah.

Speaker 13

Free. Free.

Speaker 17

He was there. He was there, my father.

Speaker 5

1.

Speaker 25

From work.

Speaker 17

Come home now, here. I'm right here. Stay.

Speaker 7

I came to support you. And to honour your father. But I can't stay. It's just I found my calling out there. I've seen too many in need just to turn. A blind eye. I can't be happy here knowing that there's people out there who have nothing.

Speaker 17

What would you have or cannot do about it?

Speaker 7

Share what we have. We could provide aid and access to technology and refuge to those who need it. Other countries do it. We could do it better.

Speaker 17

Not like these other countries. Not here. If the world found out what we truly are, what we possess. We could lose our way of.

Speaker 7

Life is strong enough to help others and protect ourselves at the same time.

Speaker 17

If you are not so stubborn, you would. Make a great queen.

Speaker 7

I would make a great queen because I am so stubborn.

Speaker 17

Ah, see, you admit it.

Speaker 7

If that's what I wanted.

Speaker 17

It's still growing.

Speaker 10

Of course. I see Nokia is back. You guys going to work it out?

Speaker 12

Each other.

Speaker 1

What's wrong?

Speaker 17

Kia thinks we should be doing. More. More like what foreign aid? Refugee programmes?

Speaker 10

You let the refugees in. They bring their problems with them. And then Wakanda is like everywhere else. Now if you said you wanted me and my men. To go out there and clean up the world then I'd be all for it.

Speaker 17

But waiting war on other countries has never been our way.

Speaker 13

You too, huh? Still in trouble.

Speaker 16

My king. My love, you will never guess who just popped up on our radar. A misidentified Wakandan artefact was stolen yesterday from a British Museum. We have learned. Ulysses Claw plans to sell the vibranium to an American buyer in South Korea tomorrow night.

Speaker 17

Crowd has escaped our pursuits for almost 30 years. Not capturing him as perhaps my father's greatest regret, I wish to bring claw back here to stand trial.

Speaker 21

Wakanda does not need a warrior right now. We need a king.

Speaker 10

My parents were killed when he attacked. Not a day goes by when I do not think about what colour took from us. From me.

Speaker 16

It's too great an opportunity to pass.

Speaker 10

Take me with. You. We'll take him down together side by side.

Speaker 13

And.

Speaker 17

Need you here protecting the border.

Speaker 10

Then I ask. You kill him where he stands. Or you bring him back to us.

Speaker 17

You have my what? I will bring him back. We will proceed with the mission. My king. Stop it. Stop it.

Speaker 23

Alright.

Speaker 14

I've already sent a car ahead to Busan for you. Who are you taking with you to Korea?

Speaker 28

Of course.

Speaker 17

For yeah. And Nokia as well.

Speaker 14

You sure it's a good idea to take your ex on a mission? Yes.

Speaker 17

We'll be fine. Besides, you'll be on call should we need backups.

Speaker 14

I have great things to show you, brother. Here are your communication devices for Korea. Unlimited range, also equipped with audio surveillance system. Check these out. Remote access kimyo beans updated to interface directly with my sand table.

Speaker 17

And what are these?

Speaker 14

Real question. What are those? Why do you have your toes out in my lap?

Speaker 17

But you don't like my royal sandals? I wanted to go old school for my first day.

Speaker 14

Yeah, I bet the elders loved that. Try them on. Fully automated. Like the Old American movie, Baba used to watch and I made them completely sound absorbed. Interesting guess what I call them. Sneakers. Because you.

Speaker 18

Never mind.

Speaker 14

If you're going to take on cloth, you need the best. The design group has to offer. Exhibit A. My design, functional, but all old people are shooting at me. Wait, let me put on my helmet. Tech.

Speaker 17

Enough.

Speaker 14

Now look at this. Do you like that one?

Speaker 17

Tempting. But the idea is to not be noticed. This one.

Speaker 14

Now tell it to go on. The entire suit sits within the teeth of the necklace. Strike it.

Speaker 17

Anywhere.

Speaker

Mm-hmm.

Speaker 14

Not that hard, genius.

Speaker 17

Told me to strike it. You didn't say how hard.

Speaker 14

And you just kick things around.

Speaker 17

Well, maybe you should make it a little stronger. It's a minute.

Speaker 14

The nanites absorb the kinetic energy and hold it in place for redistribution.

Speaker 17

Very nice.

Speaker 14

Shrug it again in the same spot.

Speaker 17

You're recording.

Speaker 14

For research purposes.

Speaker 16

Delete that footage.

Speaker 29

Hey.

Speaker 7

This way.

Speaker 16

Asked willingness to go quickly and I can get this ridiculous thing off my head.

Speaker 7

It looks nice. Just whip it back and forth back.

Speaker 30

What?

Speaker 16

It's a disgrace.

Speaker

Yeah, to you.

Speaker 7

Sofia. Night. Come how are? You all.

Speaker 30

It's all the same.

Speaker 12

Spread.

Speaker 30

Out it's all the same.

Speaker 17

The buyer is likely already there.

Speaker 30

For myself.

Speaker 17

And outside.

Speaker 25

What's trouble was referring.

Speaker 13

Monsieur.

Speaker 22

To ah.

Speaker 7

I got into a disagreement with some ivory traders, made a bit of a mess.

Speaker 17

Will there be any trouble tonight with Kenya?

Speaker 7

Depends. And how quickly we finished the.

Speaker 16

Can we please focus?

Speaker

Thank you.

Speaker 7

You'll be all. Asian Americans.

Speaker 30

It has it.

Speaker 7

Account 3.

Speaker 16

5 How could you miss grease lightning there behind you?

Speaker 17

6 Just spotted an old friend who works for the CIA. He just got a little more complicated, Your Highness. You are buying some clothes.

Speaker 3

What I'm doing or not doing on behalf of the US government is none of your concern now, whatever the hell you're up to, do me a favour. Stay out of my way. Thank you. Didn't I keep it under wraps that the king of a third world country runs around in a book and I'd say, you know, even you really need to leave now.

Speaker 18

But.

Speaker 17

God is living at that door with me. You've been wondering.

Speaker 6

Three crafts.

Speaker 3

Then you what?

Speaker 11

You know what? I think I'll just take these, bring them over here and hold on for safe keeping.

Speaker 3

OK, heads up. The king of Wakanda is here. Cannot leave with claw. All right, vibranium from the attack on Sacobia links back to a person that I'm not actually saying. I'm here to make a deal with, but that deal will not be called off when the dust settles you and make them work something out. I'm not here to make a deal.

Speaker 17

General.

Speaker 16

Position to secure our exit.

Speaker 17

And the vibranium.

Speaker 7

I don't see it yet.

Speaker 16

I thought there were no weapons allowed in here.

Speaker 7

There's not supposed to be.

Speaker 16

Somebody did not get the memo. Definitely armed.

Speaker 3

Well, that is quite the entourage. You got a mixtape?

Speaker 5

Coming out. Yeah, yeah, yeah. Actually, there is one. Yeah. I'll send you the SoundCloud link if you like. Hey, Dave, can you get the link? To the site.

Speaker 3

Don't make me listen to your music. I just meant you got a lot of. People with you.

Speaker 5

You think they're for you? Don't worry, I can do a deal with you by myself. Thank you very much.

Speaker 7

So. It's.

Speaker 9

You got the diamonds.

Speaker 3

OK, that's enough.

Speaker 7

We need to.

Speaker 12

Stand down.

Speaker 17

We can't afford a shootout.

Speaker 3

Hi, Benny.

Speaker 9

But I was going to buy a fancy suitcase, but I thought I'd save myself some money.

Speaker 7

It's no, never.

Speaker

Hi.

Speaker 24

That.

Speaker 6

Yeah.

Speaker 18

Oh.

Speaker 13

Right.

Speaker 6

Yeah, yeah.

Speaker

You know.

Speaker 5

You look just like your old man.

Speaker 6

Michael. I made it, but that was awesome. That was awesome. Go, go, go. Come on.

Speaker 8

Do we just leave him? He'll catch up.

Speaker 29

Sorry.

Speaker 25

What's driving system activated?

Speaker 14

Wait, which side of the road is?

Speaker 20

Bombastic. Just track.

Speaker 5

Let's go. Music. What do you think? This is the funeral?

Speaker 7

Which one is he in now?

Speaker 6

Hey.

Speaker 7

They're trying to lose us. Take the right.

Speaker 14

OK.

Speaker 21

Protect the other two. I see a shortcut. We're not going to make it.

Speaker 20

Keep going.

Speaker

No. Peter, are you wanna play about?

Speaker 22

Your dad.

Speaker 20

Don't worry about it. You're doing great.

Speaker 21

Bonus.

Speaker 6

Brand new car, you idiots. The bullets won't penetrate.

Speaker 7

Are you doing just drive?

Speaker 18

OK.

Speaker 21

Hey, look at your suits. You've been taking bullets, charging it up with kinetic energies.

Speaker 20

Pull around the truck.

Speaker 6

Where do you go?

Speaker 21

The shower.

Speaker 22

There he is.

Speaker 6

What date?

Speaker 5

Well, let's have some fun.

Speaker 3

Happen with that spear in the trunk.

Speaker 17

Pastor Siri.

Speaker 14

I'm going as fast as I can.

Speaker 19

Take a right, take a right.

Speaker 6

Yeah.

Speaker 14

Brother.

Speaker 20

Did you think we would forget?

Speaker 12

Look at me, Madara. Where did you get this weapon?

Speaker 5

You savage. You didn't deserve it.

Speaker 6

Yeah. No Mercy, king mercy.

Speaker 12

Every breath you take.

Speaker 17

Is massive from.

Speaker 13

Me.

Speaker 3

Come on, guys, let's go, huh?

Speaker 5

Hello. I can see you.

Speaker 9

I can see you.

Speaker 3

So this is a big mess, huh? I figured we could go. Good cop, bad cop. I'll talk to him first thing you guys go in.

Speaker 16

No.

Speaker 17

After your questioning, we will take him back to work with us.

Speaker 3

What? No. I like you a lot. But he's in my custody now. He's not going anywhere. Listen, I'm doing you guys a favour by letting you even be in here.

Speaker 16

Ukuma upping.

Speaker 3

Is she speaking with?

Speaker 16

When she wants to.

Speaker 3

Huh. I'm going. When I'm done. You guys are up.

Speaker 17

Just Ross, yeah. I do appreciate your help.

Speaker 13

And.

Speaker 3

You see that? It's called diplomacy. You're welcome.

Speaker 17

Ohh yeah. Play nice.

Speaker 16

Mendicant.

Speaker 6

Don't hurt me. No more body love, baby. Don't hurt.

Speaker 9

Me. Don't hurt me no more.

Speaker 21

You know, you really.

Speaker 9

Shouldn't trust about that? That's a much. More your speed.

Speaker 3

I don't. Than anybody not in this job, but what I am interested in is that ARM cannon out there. Where'd?

Speaker 9

You get that it's an old mining tool that I made some adjustments to, but I can get you one if.

Speaker 3

You like? Why don't you give me the name of your supplier and I'll ask them.

Speaker 9

He's right outside. Why don't you ask him yourself?

Speaker 3

What dejala? You're telling me that weapon on your arm is from Wakanda?

Speaker 9

Bingo. What you actually know about Wakanda?

Speaker 3

Shepherds textiles, cool outfits.

Speaker 9

It's all upfront explorers searched for it for centuries. El Dorado, the Golden City they thought they could find it in South America, but it was in. In Africa, the whole time, the technological marvel, all because it was built on a mound of the most valuable metal known to man, is super. They called it the gift.

Speaker 3

My brainium vibranium. Yeah, strongest metal on Earth.

Speaker 9

It's not just the metal. They sew it into their clothes. It powers their city, their tank. Their weapons. Weapons makes my arm cannon look like a leaf.

Speaker 3

Blower. That's a nice fairy tale, but Wakanda is a third world country and you stole all their vibranium.

Speaker 6

All of it.

Speaker 9

I took a tiny piece of it. They have a mountain full of it. They've been mining. It for thousands. Of years and they still haven't scratched the surface. I'm the only outsider who's seen it and got out of there alive. If you don't believe me, you ask your friend what his suit is made of, what his claws. Are made of.

Speaker 3

Your father told the UN that cloth stole all the vibranium you had, but now he's telling me you have more.

Speaker 17

And you believe, though I'd have an arms dealer strapped to a chap.

Speaker

Yeah.

Speaker 6

Hi.

Speaker 3

How much more are you hiding?

Speaker 7

Danny.

Speaker 18

Get down.

Speaker 6

I see.

Speaker 5

Your time, didn't you?

Speaker 21

Wow.

Speaker 7

Lucky he just jumped in front of me. I don't think he'd make it here. It hits his spine.

Speaker 17

Give me a bit. This will stabilise him for now. Give him to us. We can save him.

Speaker 16

Our mission was to bring back claw. We failed. This man is a foreign intelligence operative. How do we justify bringing him into our borders? A bullet for me? That was his choice.

Speaker 8

He took.

Speaker 7

So now we are just supposed to let him die. Let us consider that we.

Speaker 24

Ilia.

Speaker 16

It is his duty to report back to his country. And as king, it is your duty to protect ours.

Speaker 17

I'm well aware of my duties, general. I cannot just let him die. Knowing we can save him.

Speaker 16

Where exactly how he taking him?

Speaker 14

Create another broken white boy for us to fix. This is going to be fun. You will live. What Cubby is here?

Speaker 10

What's going on, brother? Where is Chloe?

Speaker 17

He's not here. He slipped through our head.

Speaker 1

Sleep.

Speaker 10

For 30 years, your father was in power and did nothing. If you I thought it would be different. But it's more of this.

Speaker 5

Mr.

Speaker 12

Home boss.

Speaker 2

You always sell to the CIA.

Speaker 5

Or sell to the highest bidder. Don't you worry. When I get back to Joburg and allow for a bit, I'll make sure both you guys get.

Speaker 2

Paid, and I ain't worried about the money, bro. I know you're good for it. On our way back. Just drop us off in Wakanda. You wanna go there, boy? Yeah, I do.

Speaker 6

Drop it. Well, your little Bonnie and Clyde routine ends today. Put your gun down now.

Speaker 24

Sorry.

Speaker 19

Sorry, Eric. It's gonna be OK.

Speaker 18

Ah.

Speaker 5

You you really want to go to Wakanda? The synergies. This is what they do to people like us.

Speaker 2

I ain't worried about no brand check these up. Each one is for a kill.

Speaker 5

You can scar yourself as much as you like to them, you'll just be an outsider. You're crazy to think that you can walk in there. They think I saw you as some crazy American.

Speaker 12

Leave us. So your mission? Did not go as planned.

Speaker 17

What happened to my uncle? Job. My father told me he disappeared. There was a man today. Wearing a ring identical to this one.

Speaker 12

That is not possible.

Speaker 17

He helped crew escape from us and he was wearing this ring. My grandfather's ring. Do not tell me what is possible. Tell me the truth.

Speaker 12

Some truth. Are too much to bear.

Speaker 17

That is not your choice to make.

Speaker 12

What happened to him? I promised the king to say nothing. I am your king now. Your uncle. Took. A war dog assignment. In America. Your father. Placed me there. To observe. You know, it's to him. Your uncle fell in love. With an American woman. They had a child. The hardships he saw there. Radicalised your uncle?

Speaker 1

I observed for as long as I could. But leaders have been assassinated, communities flooded with drugs and weapons. They are overly policed and incarcerated all over the planet. Are people suffer because they don't have the tools to fight back? With vibranium weapons, they could overthrow every country and would conduct could rule them.

Speaker 18

All the right way.

Speaker 12

He knew your father. Would not support this. So your uncle traders. No. He helped claw steal the vibranium.

Speaker 13

No.

Speaker 4

He will return home at once, where you will face the Council and inform them of your crimes.

Speaker 12

Your father killed his own brother. My life.

Speaker 4

Speak nothing. Of this.

Speaker 13

And the child. Yep.

Speaker 12

We had to. Maintain. The lie.

Speaker 1

What is this?

Speaker 2

Just a little gift.

Speaker 1

1.

Speaker 3

All right, where am I?

Speaker 14

Don't scare me like that, coloniser.

Speaker 3

My name is Everett.

Speaker 14

Yes, I know. Everett Ross, former Air Force pilot and now CIA.

Speaker 10

Right.

Speaker 3

OK. Is this Wakanda?

Speaker 14

No, it's Kansas.

Speaker 3

How long ago was Korea?

Speaker 14

Yesterday.

Speaker 3

I don't think so. Bullet wounds don't just magically heal overnight.

Speaker 14

They do here, but not by magic by technology. Don't touch anything. My brother will return soon.

Speaker 3

These train things that that's magnetic levitation, right?

Speaker 14

Obviously.

Speaker 3

Obviously, but I've never seen it this.

Speaker 13

Efficient.

Speaker 3

The light panels, where are they?

Speaker 14

Sonic stabilisers.

Speaker 3

Sonic what?

Speaker 14

In its raw form, vibranium is too dangerous to be transported at that speed, so I developed a way to temporarily deactivate it.

Speaker 3

There's vibranium on those trains.

Speaker 14

Is like bring him all around us. That's how I healed you.

Speaker 16

Where is the China? His memorial bids have been switched off.

Speaker 14

While we are not joined at the hip or Courier.

Speaker 16

Men showed up at the border who claims to have killed claw.

Speaker 25

What?

Speaker 16

Wakaba is transporting it as we speak to the palace. We need to find your brother.

Speaker 14

An outsider? No, it's a condom.

Speaker 3

He's not well founded. He's one of ours.

Speaker 17

He killed his own brother. And left a child behind. Nothing. What kind of king? What kind of man does that?

Speaker 7

No man is perfect. Not even your father.

Speaker 17

Didn't he and give him a proper barrier? My uncle and Joe would betrayed us, but my father. He may have created something even worse.

Speaker 8

Hey.

Speaker 7

Look at me. You can't let your father's mistakes define who you are. You get to decide what kind of king you are going to be.

Speaker 14

Brother, you need to get here now.

Speaker 3

Eric Stephens graduated Annapolis, age 19, MIT for grad school, joined the Seals and went straight to Afghanistan, where he wrapped up confirmed kills like it was a video game. Started calling him kill Monger. He joined a JSOC ghost unit. Now these guys are

serious. They will drop off the grid so they can commit assassinations. Takedown governments.

Speaker 17

Did he reveal anything about his identity?

Speaker 14

He has a war dog tattoo, but we have no record of him.

Speaker 6

Is this man Wakandan or not?

Speaker 17

Ted.

Speaker 10

Speak.

Speaker 2

I'm standing in your house. Serving justice to a man who stole your vibranium and murdered your people. Just as your king couldn't deliver.

Speaker 17

I don't care that you brought claw. Only reason I don't kill you where you stand is because I know. Who you are. Now, what do you want?

Speaker 2

I want to throw.

Speaker 8

Hey, you, the tuna.

Speaker 2

Y'all sitting up here comfortable. Must feel good. It's about 2 billion people all over the world that looks like us. But their lives are a lot harder. What kinda has the tools to liberate?

Speaker 17

Them all, and what taught us us.

Speaker 2

Your weapons.

Speaker 17

Our weapons will not be used to wage war on the world. It is not our way to be judged during an executioner for people who are not our own.

Speaker 2

Not your own. But then life start right here on this continent. So ain't all people your people.

Speaker 17

I am not the king of all the people. I am King of Wakanda. And it is my responsibility to make sure our people are safe and that vibranium does not follow to the hands of a person like you.

Speaker 16

Son, we have entertained the Sheraton for too long. Reject his request.

Speaker 2

I am requesting nothing. Ask who I.

Speaker 14

Am you're Eric Stevens? An American black operative, A mercenary nicknamed Killmonger, that's who you are.

Speaker 2

That's not my name, Princess. Ask me king. No. Ask.

Speaker 18

Me.

Speaker 17

Take him away.

Speaker 19

And then go into Dhaka. Found my daddy with Panther claws in his chest. You ain't the son of a king. You are a son of a murderer.

Speaker 10

I'm afraid not, Queen Mother.

Speaker 13

You enjoyed that wrench.

Speaker 2

Hey, auntie. I'm exercising my blood right. The challenge for the members of King and Black Panther.

Speaker 3

Do not do this to child.

Speaker 9

As the son.

Speaker 13

Of Prince in global he is within his right.

Speaker 8

He has no right.

Speaker 12

To challenge will take weeks to prepare it.

Speaker

We.

Speaker 2

I don't need weeks. The whole country ain't got to be there. I just need him and somebody to Get Me Out of these chains.

Speaker 16

What do you know of this?

Speaker 17

I accept the challenge.

Speaker 14

You'll never be to China. You should have just come to the. First challenge and gotten it over with.

Speaker 12

The King will now have the student of the Black Panther stripped away.

Speaker

For some.

Speaker 23

Right.

Speaker 29

Uh.

Speaker 8

Where is Edith Ross?

Speaker 7

I locked him in the office. He's not going anywhere.

Speaker 12

This is your last chance.

Speaker 17

Throw down your weapons and we can handle this another way.

Speaker

Good sound.

Speaker 19

I live my entire life waiting for this mom.

Speaker 2

I trained. I lie. I killed.

Speaker 12

Just to get here.

Speaker 3

Killed in America.

Speaker 12

Afghanistan.

Speaker 20

Iraq. I took life from my own brothers and sisters right here on this continent.

Speaker 12

And all this death.

Speaker 1

Just so I could kill you.

Speaker 12

Let the challenge begin.

Speaker 6

Shut up. Like. Let's.

Speaker

What's up?

Speaker 6

Right. Right.

Speaker 7

Get up.

Speaker 4

Good.

Speaker 6

This is for my father.

Speaker 20

32.

Speaker 12

And because of your father's death, not him.

Speaker 17

Think me.

Speaker 6

I think you both Uncle Jason.

Speaker 8

It's it's.

Speaker 6

No. Right, this your king. This is chicken. Oh. The Black Panther. Who's going to lead you into the future?

Speaker 24

Is there nothing that can be done?

Speaker 19

He's supposed to protect you.

Speaker 6

No.

Speaker 8

No. No, I'm the champion. Let's go.

Speaker 16

The Queen Mother? Sure they are safe, yes.

Speaker 7

Yes, we should get to them immediately.

Speaker 24

And.

Speaker 16

What, though, my heart is with you?

Speaker 7

We cannot turn over our nation to a man who should appear only hours ago. He is of royal blood. He killed in ritual really matter. You are the greatest warrior Wakanda has. Help me overthrow him before he becomes too strong overthrow.

Speaker 16

I would just spy. You can come and go as they so choose.

Speaker 8

I am loyal to that throne, no matter who sits upon it.

Speaker 16

What are you loyal to?

Speaker 7

I loved him. I love my country too. Then you serve your country. No. I save my country.

Speaker 3

What's wrong?

Speaker 7

The king is dead. Come with me. Unless you want to join him.

Speaker 14

First, Bubba. And now my brother.

Speaker 21

He didn't even get bury him.

Speaker

Nicky. Who is this?

Speaker 7

Man, he's a friend of the chalice. He saved my life.

Speaker 1

Who is akoya?

Speaker 7

OK, is not coming. She and the Dora Milaje will save the Nook. Wait here.

Speaker 16

What's happened to our gun?

Speaker 24

Allow the heart shape to give you the powers of the Black Panther and take you to the ancestral plane.

Speaker 1

What did I tell you about going into my things? Where did you find?

Speaker

Go home.

Speaker 1

I gave you a key hoping that you might see it someday. Yes, the sunsets there are the most beautiful in the world. But I fear you still may not be welcome.

Speaker

Why?

Speaker 1

They will say you are lost.

Speaker

But I'm right here.

Speaker 1

No tears for me.

Speaker

Everybody dies.

Speaker 22

It's just life around here.

Speaker 1

I'll look at what I have done. I should have taken you back long ago. Instead, we are both abandoned here.

Speaker 2

Well, maybe your home is the ones that's lost. That's why they can't find us.

Speaker 6

Well.

Speaker 8

I can't breathe. Freeze.

Speaker 2

Or she birthday. There's all of.

Speaker 24

Yes. So when it comes time for another king, we will be ready.

Speaker 2

Another king. Yeah, go ahead and burn all that.

Speaker 24

My king, we cannot do that. It is our tradition.

Speaker 2

When I tell you to do something, I mean that ****.

Speaker 19

Burn it all.

Speaker 2

You know where I'm from. When black folks started revolutions, they never had the firepower or the resources to fight their oppressors. Where was Wakanda?

Speaker 9

Hmm.

Speaker 2

You know that ends today. We got spies embedded in every nation on Earth already in place. I know how colonisers think. So we don't use their own strategy against them. We're going to send vibranium weapons outside our war dogs. They'll arm, oppress people all over the world so they can finally rise up and kill those in power and their children and anyone else who takes their side. It's time they know the truth about us. We're warriors. The world's going to start over and this time we're on top. The Sun will never set on the Wakandan Empire.

Speaker 16

Wakanda has survived for so long by fighting when only absolutely necessary.

Speaker 10

Wakanda survived and he passed this way, yes. But the world is changing, general. And this it is getting smaller. The outside world is catching up and soon it will be the conquerors. Or the content. I'd rather be the former.

Speaker 2

You heard your orders.

Speaker 5

You too.

Speaker 3

So where are we going again?

Speaker 7

We're taking the heart-shaped air to Jabari Land.

Speaker 14

That it gives whoever takes it heightened abilities.

Speaker 7

That's what made the child are so strong.

Speaker

OK.

Speaker 7

Nikki.

Speaker 24

I don't like this. The earth belongs to us. We may be creating a bigger monster with embarked.

Speaker 10

Nokia.

Speaker 16

You should take it yourself.

Speaker 7

I am a spy with no on me. I wouldn't stand a chance.

Speaker 12

We'll go.

Speaker 25

Oh boy.

Speaker 22

Should you?

Speaker

My son.

Speaker 16

Was married in ritual combat.

Speaker 27

Or the odds fair so it was less a murder than a defeat? Silence.

Speaker 7

Yes, but.

Speaker 14

Do not rub our noses.

Speaker 27

I make the pronouncements here I go.

Speaker 3

Look at your Highness. The new king is the new king.

Speaker 6

You cannot talk one more word and I will feed you to my children.

Speaker 27

I'm kidding. We have vegetarians.

Speaker 7

Great gorilla bark. This. Is why we are here. To offer this to you. An outsider sits on our throne. Only you can help us stop him.

Speaker 27

Come with me.

Speaker 8

Impossible. Is he creeping?

Speaker 27

He's in a coma, really clinging to life. One of our fishermen found him. At the edge of the river. Border. He brought him to me.

Speaker 14

Why do you have him in the snow?

Speaker 27

It is the only thing keeping him from joining the ancestors.

Speaker 14

You need to get him to my lab. I can heal him.

Speaker 27

That you'll be dead in seconds.

Speaker 18

Thanks.

Speaker 16

Nokia the app.

Speaker 7

Call upon the ancestors I call upon burst.

Speaker 18

I'm here with my son Tajan.

Speaker 8

Heal him.

Speaker 21

I must marry.

Speaker 7

Cool.

Speaker 14

Comma.

Speaker 7

Wake up.

Speaker 13

And. The time has come for you to come home and be reunited with me.

Speaker 17

Why didn't you bring the boy home?

Speaker 13

Hi, Mama. He. He was the truth. I chose to omit.

Speaker 17

You are wrong to abandon him.

Speaker 18

Were. By the name.

Speaker 13

I chose my people. I chose Wakanda. Our future depending on you.

Speaker 6

All of you are wrong.

Speaker 12

To turn your backs on the rest of the world.

Speaker 17

We let the fear of our discoveries stop us from doing what is right.

Speaker 12

No more.

Speaker 17

I cannot. Stay here with you. I cannot rest. He sits on the throne. He's a monster of our own making. I must take the matter back I must. I must write these rules.

Speaker

You have a blanket.

Speaker 7

Kid Moga has the full support of our military and. He burned the garden of the heart-shaped ABC.

Speaker 3

Of course he did. That's what he was trained to do. His unit used to work with the CIA to destabilise foreign countries. They would always strike the transitions of power like an election year or the death of a monarch. You get control of government, the military.

Speaker 17

Power resources.

Speaker 9

Right.

Speaker 17

The great mount.

Speaker 14

Our vibranium all of my.

Speaker 17

Designs. We'll send our weapons all over the world. You must get a matter of work on that safely.

Speaker 14

What? What about you?

Speaker 17

The challenge will have to continue.

Speaker 7

We will not leave work under.

Speaker 17

It is my duty to keep you safe.

Speaker 14

If he gets control of our technology, nowhere will be safe. The Black Panther leaves. And when he fights for the fate of Wakanda, I will be right there beside him.

Speaker 7

Yes, we die.

Speaker 3

I'm into. What you're going to need all the help you can get.

Speaker 27

Are you done? Are you are you, are you done?

Speaker 17

Could you give me and Lord Embraco a moment?

Speaker 12

Thank you.

Speaker 27

I owed you a great debt. A life for a life? Consider it paid.

Speaker 17

Please allow my mother to stay here.

Speaker 27

No, I'm welcome to. I give you my word.

Speaker 17

You know, I could use an army as well.

Speaker 27

I bet you could, but no. I will give no debating lives towards your cause.

Speaker 17

It is our cause.

Speaker 20

It is for all of us.

Speaker 6

Ah, us.

Speaker 27

Us. You are the first king to come here in centuries and now. You speak of us.

Speaker 17

I cannot speak for past kings. But an enemy sits on the throne right now. We both know the power of vibranium. If kill monger, gays, control of it, who do you think he will come for next?

Speaker 27

We will not help you.

Speaker 9

Yeah.

Speaker 10

Everything is on schedule.

Speaker 2

And the spa has been alerted.

Speaker 10

Yes, some resistance to ammunition, but the war dogs in London, New York and Hong Kong are standing by.

Speaker 2

We'll strike there first. The others are coming around. Look at this. The handheld Sonic cannon powerful enough to stop a tank traced by metal detectors that we got thousands of arms. The world's going to find out exactly who we are.

Speaker 18

He leaves. What's up? I never hear that. As you can see, I am not dead.

Speaker 19

All that challenge **** is over. With I'm the king. Now get those blades in the air. Carry out the mission.

Speaker 13

Susanna.

Speaker 16

Copy that.

Speaker 24

Go, go, go, go, go, go. Come on, girls.

Speaker 12

Welcome. They kill this clown.

Speaker 16

Wakaba the challenge is not complete.

Speaker 20

What?

Speaker 12

Will we do?

Speaker 20

But I try.

Speaker 8

You're hot. So full of hatred. You are not fit to be a king, the king.

Speaker 6

God. We'll probably stop this. Stop this now.

Speaker 14

Nokia and I will get control of the Royal Tailor with this.

Speaker 3

So what do I do?

Speaker 14

You have to fly it.

Speaker

What you were.

Speaker 14

A great pilot. Don't worry. I'll guide you through it. It's just like riding. I have a bike.

Speaker 3

Well, you guys have harbour bikes.

Speaker 7

Take that. I'm not a door.

Speaker 14

Just put it on its armour.

Speaker 7

Good luck, agent Ross. We're counting on you.

Speaker 3

I don't know what I'm.

Speaker 20

Doing for this.

Speaker 16

Remember.

Speaker 7

Kinda forever.

Speaker 6

Sure.

Speaker 28

Remote piloting system activated.

Speaker 14

I made it to American stuff. For you get in. We can't let those weapons get beyond what?

Speaker 13

Our.

Speaker 6

Sit down.

Speaker 17

Oh.

Speaker 3

OK, hurry, I got him. What do I do?

Speaker 21

Shut them down, genius.

Speaker 3

Here it goes nothing. Hi. Yeah.

Speaker 11

Ah, ****.

Speaker 6

Yes.

Speaker 30

Oh.

Speaker 23

Oh.

Speaker 25

Sup Princess?

Speaker 21

You'll never be a true king.

Speaker 12

Sorry. Turn on the train on the bottom track.

Speaker 21

You won't have to pick your food. Don't have protection.

Speaker 12

Neither would he.

Speaker 2

I don't need a soup to kill you.

Speaker 19

The rain is over. You stand up here safe and.

Speaker 20

Protected. You want to see us become just like the people you hate so much. Divide and conquer that the stigma.

Speaker 2

I learn from my enemies.

Speaker 20

Beat them at their own game. You have become them. You will destroy the world. But can't I include that the world took everything away from me.

Speaker 19

Everything I have alone, but I'm gonna make sure we're even. I'm going to track down anyone who would even think about being loyal to you. And I'm gonna. Put the asks in the dirt. Right next to Siri.

Speaker 14

Are you all right? I'm OK. Yes, let's go.

Speaker 3

Sure, you have lost one of them, but two are on my tail. The hell was that?

Speaker 25

The lab is under attack. What? Where? Deactivating hologram.

Speaker 14

You have to get out of there now.

Speaker 3

How long have I got?

Speaker 13

Last.

Speaker 28

Integrity is at 50%.

Speaker 3

Pull me back in.

Speaker 6

Close them all.

Speaker 29

Hey.

Speaker 20

Now.

Speaker 18

You have 3 seconds to lay down your weapon.

Speaker 6

1. Witness the might of the Japanese first time.

Speaker 1

So.

Speaker 6

Yeah, yeah. Yeah.

Speaker 12

This.

Speaker 21

Come on.

Speaker 6

Yes.

Speaker 25

Integrity.

Speaker 28

It's at 15% critical weapons failure.

Speaker 3

Siri, the last cargo ship, is almost at the border, but they got me trapped with some kind of cables.

Speaker 17

Overload.

Speaker 28

Initially.

Speaker 14

Not break it.

Speaker 25

System rebooting in 54321. System rebooted.

Speaker 6

Oh.

Speaker 21

Yes, we did it. Great.

Speaker 6

Broccoli.

Speaker 16

Drop your weapon.

Speaker 10

Would you kill me, my love? Oh, I can't.

Speaker 8

Without question. Yeah.

Speaker 6

Yeah.

Speaker 12

This is it for you, cousin.

Speaker 2

Hell of a move. Pop said what kinda was the most beautiful thing you ever seen. He promised he was going to show it to me one day.

Speaker 5

You believe that?

Speaker 2

Kid from Oakland, running around believing in fairy tale.

Speaker 13

It's beautiful.

Speaker 17

Maybe we can still heal you. What?

Speaker 2

So you could just lock me up.

Speaker 18

No.

Speaker 2

Just bury me in the ocean. With my ancestors that jumped from ships. Because they knew death was better than *****.

Speaker 17

Thank you. You're safe to me. Saved my family. Our nation.

Speaker 7

There's nothing to thank me for. It is our duty to. It was my duty to fight for what I love. I should have.

Speaker 17

Can't blame me. I almost died. Stay. I think I know where you can still fulfil your call.

Speaker 12

Please.

Speaker 29

441 cloudy sleepwalking 44 wacky vision cloud slave walk. Call them child the tribulation affidavit. Child Protective Services.

Speaker 21

Is that OK?

Speaker 14

When you said you would take me to California for the first time, I thought you meant Coachella. For Disneyland right here.

Speaker 17

This is where our father killed our uncle.

Speaker 14

They're tearing it down.

Speaker 17

Good. Yeah, not tearing it down. I bought this building. And that's a *** ****. That one over there. This will be the first to walk under an international artery centre. Now, Kia will oversee the social outreach. You will spearhead the science and information exchange.

Speaker 14

You're kidding.

Speaker 12

Yeah.

Speaker 31

Right.

Speaker

All that.

Speaker 8

Oh my God.

Speaker 30

Hey. Man, what the hell is that? That's.

Speaker 6

Like a Bugatti spaceship? Yeah, no.

Speaker

What?

Speaker 30

You take this back to the house. Hey, look, we could break.

Speaker 7

It apart, we could sell it on eBay.

Speaker 14

I don't think that.

Speaker 22

Yo. This yours.

Speaker

Who are you?

Speaker 22

Is. Let me know. All these guys, all the stars, all the stars.

Speaker 31

Tell me what you do. Don't tell me confrontation ain't nothing new, Timmy. You can bring a bullet, bring a sword, bring a more. But you can't bring the truth to me. You and all your whisper stations. I don't even want your congratulations. I recognise your false confidence and calculated promises all in your conversation. I hate people. That feeling tired. Look at me crazy because I didn't invite you or you are calling you the moral. The story you aren't just and you and I don't even like you corrupting man's out with a gift that's like you find out who you're dealing with. It's more percentage. You won't build it with. I want the credit there from lose. You know, I'm winning on my Mama.

Speaker 11

I know the truth.

Speaker 22

Maybe they like them, will choose my. Let me know. Only stars, stars all the stars. Switching the way that you're bringing me down. Get it away from me. Keep away from me. Get it away from me. Feel good, feel better? Better. We will. Lovely. Closer.

Speaker 17

My name is Kim Tacchella, son of King Tachanka. I am the sovereign ruler of the nation of Wakanda. And for the first time in our history. We will be sharing our knowledge and resources. With the outside world. While Conga will no longer watch from the shadows, we cannot. We must not. We will work to be an example of how we as brothers and sisters on this earth, should treat each other. Now more than ever. The illusions of the vision threaten our very existence. We all know the truth. More connects us and separates us. But in times of crisis, the wives build bridges while the foolish build barriers. We must find a way to look after one another as if we were one singer. Try.

Speaker 4

With all due respect, kintala.

Speaker 28

What can a nation of farmers have to?

Speaker

Offer the rest of the world.

Speaker 26

More next week when Brie Larson is the MCU's big Cheese Captain Marvel, Jude Law also stars next Saturday at 8. And of course you can stream like Magic Benedict

Cumberbatch as Doctor Strange anytime. Next tonight, Rage Against the machine
Arnold Schwarzenegger in Terminator dark. Fate coming.

Speaker 14

Are you playing around with that man again? You're teasing him again.

Speaker 22

No, I'm not.
