What Division 21st artillery said. Take this. Hold them all and keep firing. I'll be back in a moment.

Help comrades help. What is it? I'm exhausted. Quick, help me to my plane. Thank you, my lad. I'll see you get the Romanian cross for.

This it's alright. So I'm only too willing to oblige.

You saved my life. Thank you. I'm weak. I can't make it alone. You'll have to stay with me. Can you fly a plane? Quick, lift my hand on the stick.

Take charge of that gun, Sergeant.

The enemy. They're coming. Quick. Slip my hand to the throttle. Pull them. Here, hold on to these dispatches. If we can deliver them to general smell off ultimania may yet win the day.

I think I'm going to.

Paint. Oh, don't say that. I'm sorry, old. Man. I'm sorry.

OK.

Please. Hey, hey, listen. Hey, where am I? Don't you know me? Oh, yes, of course. Of course. Yes. Yes, I feel better now. The blood is returning to my head what's below. Looks like the sun the sun.

Seems to be shining upwards.

Strange. How's the gas? Terrible. It kept me awake. All night. No, no, no. The gasoline in the tank.

Almost empty.

We must be nearly there. What time is it?

About approximately 1 minute to 12.

Yeah.

Strange.

Seemed to be defying the laws of gravity.

Water quick, I'm going to faint. Wait a while. You'll get. We'll get into trouble if you be careful.

Oh.

Oh, I would just say it also. Oh. Oh oh. Oh, oh, oh, oh, oh, gosh. Reaches oh, oh, oh, it's all gone.

Yeah. Thank you.

What's the matter?

This belt is too tight. I'm trying to.

We'll lose it.

We're upside down. I know it. Give me that stick. Impossible.

Oh, there it goes without a gas.

Well, I suppose this is the end. Cigarette. Not now. Then I shan't need this anymore. What month is it? April Spring into mania. Hilda will be in the garden now, turning the daffodils. How she loves daffodils. She would never cut them for fear of hurting them. It was like taking a life to cut a daffodil. Sweet, gentle Hilda.

A beautiful soul. And she loved animals. And little children too.

Oh.

We've landed. Stitches, comrade. Where are you? Comrade. Comrade, the dispatches tell me, where are they? Are you hurt? Quick, take me to general. Smell awful.

What's that?

Hurry, man. If I don't deliver these dispatches at once, we're defeated. The war is over. What? We lost lost.

With.

Angel party takes power. Meanwhile, the Jewish soldier, ex father, veteran of the World War, suffered a loss of memory and remained an inmate of the soldiers hospital for many years. He was ignorant of the profound change that had come over to Mania. Hinkle the dictator ruled the nation with an iron fist under the new emblem of the Double Cross, Liberty was banished, free speech was suppressed, and only the voice of Hinkle was heard.

Traffic.

Have been on the South Coast, 11 and so many of his hands trapped.

The clutch.

Annoy Tinkler has just said yesterday to Mania was down, but today she has risen.

Democrats is stunk, democracy is fragrant. Liberty stunk. Liberty is odious. Freedom of speech is objectionable. Has the greatest army in the world.

Needy in the.

World and its container to sacrifice, but to remain great. We must sacrifice us, tighten the belt and we must tighten our belts.

Heading heading this mark, hearing the four he.

Now speaks to field Marshall Herring, the Minister of war.

Garbage. Hair. Garbage. Vincent.

Is now addressing her garbage minister of the Interior.

Hearing her garbage. Ah, shouldn't smell from garbage and garbage. Shouldn't smelting fine from herring, herring and garbage.

His Excellency recalls the struggles of his early days shared by his two loyal comrades.

That's it. The streets and the streets. You know, she made strikes me. That happens. Act. Ah.

On the air. Then. The Arian maiden, the Arian maiden?

And the flexing with the stresses on the whole stand with the most, the most for the kinter katzenjammer the cats and German.

Arian. Sauerkraut.

18.

Putin.

His Excellency has just referred to the Jewish people.

Now.

Flare the flare.

The hair through Steiner. It's great French, France and final and then France and China, Finland. Europe and and see all the classes.

In conclusion, the Fooey remarks that for the rest of the world he has nothing but peace in his heart. We now pause for station identification.

This is the Pari mutual network bringing you direct from domania adenoid hinkel's address to the sons and daughters of the Double Cross. The English interpreter is Heinrich schtick at annoyed Kinko's personal translator who is apparently reading from a prepared manuscript. Stand by for further commentary.

And the stairs.

You're Excellency. No. Are you hurt? Jesus crackers.

You're right in the other car.

Thank you.

His Excellency seems well pleased as he's greeted by a committee of Dominion children and their mothers. Now he pauses before a woman with a child.

Emma.

Even the baby is thrilled and seems all smiles at his Excellency's attention. His Excellency leaves the scene of his triumph and will return to the palace along Hinkle Strasser, the Avenue of Culture where he will pass to Romania's modern masterpieces, the Venus of today, and the Thinker of tomorrow.

That was a speech. Yes, very good. Such a reference to the Jews might have been a little more violent.

What?

Got to Rouse the people's anger at this time. Violence against the Jews might take the public's mantle of its stomach.

Perhaps you're right. Things have been quiet in the ghetto lately.

Good morning, Mr Jacob. What's good upon it? Well, conditions could be wise.

You think they could be worse? You have a great imagination.

Haha, you heard Hinkle speech. I have nothing.

I've got my own troubles.

Well, you're better off than a lot of other people. Have you heard from the Barber?

Still in the hospital.

Ever since the war, he's been there.

Yeah.

Why don't you try and rent this barbershop for him?

He won't let me. Every few weeks, he likes to say he's coming back.

Seems a pity it should be idled all these years.

Why worry? With the Texas, the government will soon take it away from him.

Perhaps you're right. It isn't such a good morning after all.

Now you said it. Hannah.

Yes, Mr Jaco.

On the mental piece, you'll find my tobacco pouch. Will you get it all right? Yeah.

Seems everyone is free with couples.

Huh, everyone. Look at Hannah. Poor girl. A hard worker can't get a job. Father was killed in the war. Mother died last year. Can't turn enough to pay the rent for our room? What can I do? I can't throw it out.

You'll need some more to back up. I'm delivering missus shoemaker's laundry.

Where are you go?

Oh, you better take the key. Mrs, Jake and myself are going out. I'm locking up all the doors and Jesus Stormtroopers will start their monkey business again.

And.

Potatoes and potatoes.

I think I'll take a box home.

Mr.

Please please. Hey, pull is the truck. Hold it there, will you?

You have no right to do.

This. That's alright. Just charge it to my account.

Yes.

Nice, right? Tomatoes, boys.

Why don't some of you do something? I wish I was a man. I'd.

Show you what would you do, my pretty maid.

Ah, you're very brave altogether, but not one of you got guts to set up alone and fight.

Shut up.

That way you got a truck to run away. In case somebody hit your. Back. All right, come on and take me. You get a lot of medals for it so you can do is to pick on.

Get up and win. Take it down.

Women and rob defenceless people.

I don't rub the poor girl boys. Give her back of tomatoes here.

I have to do it all over again.

Pigs.

Sending patient 33.

Yes.

Here's an interesting case amnesia Jewish soldier been here since the war has an idea. He's been here. Only a few weeks.

Is there any idea what's happened in the meantime?

Not the least, his one interest seems to be in his barbershop, which he believes he left only a few weeks ago.

Poor devil. He'll have many surprises waiting.

For.

Him. I'm afraid so. OK.

#33 is gone.

Gone that seems to be examined.

I know everybody disappeared.

Disappear. Well, let them go. It isn't a serious case. Besides, there's more we can do for him.

Hey, come on. Beat it up there. Come on, get out of your gone.

What do you think you're doing?

I really don't know.

Well, you leave that alone.

Don't be silly. I'm not silly. I appreciate that when you talk to me, Hale Hinkle and salute.

Who are you anyway?

I'll show you who I am now. The headquarters. See, that's my shop. I don't care if it is and you leave me alone. I'm gonna put up a fighter. Yeah. Now let me tell you something.

You a policeman, arrest that man for. Assault.

Ohh my finger.

Pardon.

I'm sorry, Mr. I didn't mean to hit you. You are wonderful. I enjoyed that. But don't stand there. You better beat it.

I'll call it. Please. No, no, don't do that.

Why not you crazy?

Look out, there's more coming. Wait a minute. Come in here. What's wrong with you? There's no use being foolhardy.

At the park. Hello. What's this? Who hit you?

I don't know, I think, alright.

Gang him here. You better go along. Get fixed up. We'll investigate later. What time is it?

Come on, get in.

I don't see what it.

It's all right now. They've gone. Thanks, Mr Ah, that did me a lot of good. You sure got nerve. But we have fought back. That's what we should all do. Fight back. We can't fight alone, but we can lick them together.

We didn't do so bad, did we?

Oh, excuse me. You're the Barber, the one that was in the hospital. Mr Jacobs often talked about you. We didn't think you're ever coming back.

Yeah.

But the storm troopers they'll be looking for you. You better hide. Wait, I'll get the key to the seller.

Is this the man?

That's him.

Hale hinkle.

Lucy.

Don't fool with me, I said Hail Hinkle.

All right. But at your hands, just a moment. We won't put them on here. Bring them outside.

Yes.

Come on, you. Come on.

Before we take it down, you'll finish this here.

Come on, hate that. Right. Wait a minute, boy. Wait a minute. I've got an idea. A bright idea.

Wait a minute.

Tangent.

1st in command.

Yes, Sir. What the?

Second command. Yes, Sir. Oh, never mind you. Yes, Sir. What the devil goes on here? And who told you to hang people from lampposts? No one, Sir. My orders were to keep these streets tidy was the trouble. And you was attacking storm troopers, Sir. Where is he?

There break ranks.

Now so there you are standing up.

Good. You.

Don't you Remember Me? The war you saved my life. Me. Strange, and I always thought of you as an Arian.

And the vegetarian.

But don't you remember the enemy tried to capture us, but we got.

Away in my plane plane. And then we crashed.

Great. Oh yes. Now I remember.

Well, how are you? What has my friend done?

Our men were painting his Windows commander and he resisted.

Any brave man would resist. I'm sorry this occurred. I'm sure that in future you will not be molested again. However, if you or your friends are ever in any trouble, I hope you'll let me know.

Who did that? Oh.

One of my friends.

Oh.

Hinkley's Palace was the centre of a gigantic enterprise, an enterprise that would build the world's greatest war machine. Behind this undertaking was the dynamic energy of adenoid Hinkel, whose amazing genius ran the entire nation, whose ceaseless activity kept him busily occupied every moment of the day.

Marshall heading is waiting, Your Excellency.

Enough.

Hale Hinkle, your Excellency. I believe we've got something now. A bulletproof uniform material is light as silk. I've arranged for a demonstration in the anteroom. It will only take two minutes.

Where is it? I can spare one.

Professor Hill, Killington Hale Hinkle Your Excellency actions speak louder than words. The bulletproof uniform and 100% perfect. Shoot.

Far from perfect.

OK.

Man. My secretary point is she in the outer.

Office. Your Excellency. Caller. Yes.

Dale Hinkle.

Take 11.

No, no, no.

Ohh.

Hello this is view Marshall Harry, I'm in the tower room. We've got something marvellous.

All right, should be. What is?

It a parachute, the most compact in the world, worn like an ordinary hat. It would open in 25 feet. Demonstrate professor. And ankle.

Hearing why do you waste my time like this? Send garbage here.

Your garbage is waiting, Your Excellency. Enough.

Her handle.

Garbage. What's the meaning of this? These appropriations, 25,000,000 for prison camps where we need every penny for the manufacturing and munitions.

We've had to make a few arrests.

A few how many?

Nothing astronomical 5 or 10,000 a day.

Oh.

A day.

Just a few dissenters, that's all.

What are they descent about?

The working hours, the cut in wages, chief of the synthetic food, the quality of the sawdust and the bread.

What more they want and the finest lumber our mills can supply.

Nevertheless, the condition is getting dangerous, but people are overworked. They need. Diversion the people are. Matt go a little further with the Jews, burned down some of their houses. Spectacular assault on the ghetto now might prove.

Diverting, we must do something more dramatic. Now is the time to invade Ostovich. How soon can? We be ready according to. Hearing three months. I can't wait that long. Besides, Napoleon's army might invade ostrich before me. We must strike now.

In that case, we should require foreign.

Capital. Follow it follow.

It the bankers have all refused. But wait, there's one Madam might make us alone, Epstein.

Epstein. Is it true, isn't it? Yes. Well, let's be big about it. We'll borrow the money from Epstein.

Might be difficult in view of our policy towards these people very.

Well, then we'll change our policy towards these people. Tell Commander shoots that in future all persecution of the Jews. Must cease at least. We have negotiated this loan.

I don't understand it. The whole ghetto is so quiet now. You can't imagine what's going on while you were away this Hinkle business. You weren't here. You were in the hospital unconscious. Believe me, you don't appreciate what a good time you were having. Well, if things get worse, we go to Austerlitz. That's still a free country. Sooner or later, we'll have to go. Anyway. It's nice to see you back. Like the old days again. How's business?

Thank you.

Thanks.

Patient.

Trouble is, the men are all in concentration camp. You should go in for fixing up the women. It's nice money and the beauty parlour business. Do you know anything about it?

Me.

No.

Practise on Hannah.

Of course.

Hannah, get up in that chair. They are going to make you look beautiful.

Beautiful before.

He's going to practise on you for a beauty parlour.

You're not going to put money on my face, are you?

Ah, you're going to take some off.

Make me look beautiful.

We can't make you look any worse.

Oh, there's this is you make it.

To the laundry. That's all right. I'll give it to her. You sit here and enjoy yourself, huh? I know. I've seen you making eyes.

Don't pay any attention, Mr Jiggle. I like to shop since we've fixed it up. I wish I had a business. Like this, there's no future in housework. Maybe if I save my money I can have. A Barber shop someday. But I can never save money slips through my fingers like that. Trouble is, I've always lived up to every penny I've earned. Why shouldn't I be here today and gone tomorrow? And then where are you? Do you believe in God? I do. But if there wasn't one, would you? Live any different?

I wouldn't.

Life could be wonderful if people would leave you alone. Things are looking brighter now. Maybe you're the reason saving Commander Schultz's life. Funny how they've left us alone like. Seems too good to be true. You have a baby. I do. That's the only time I'm really happy. Dreaming. Sometimes I get. So carried away. I don't know what I'm doing. Aren't you like that? You know, we're very much alike. Yeah, we're both absent minded. Do you?

Think so? Yeah.

I like as minded.

People.

Do you know? The story about the man that put his watch in boiling water and held the egg in his hand. They say all great men are absent minded to sign. You're smart. My folks

didn't think so. Garth had an excuse for you. You're enjoying the war. I was born that way. I know why women never grow whiskies.

What?

Isn't that?

Hi.

I could kick myself in the shins. I'll give you shampoo.

Hello.

See.

Cute.

How do you do it? She'd try it on yourself. If you were fixed up, you'd look. Handsome. Yeah, yeah.

No.

Potatoes.

There's a potato, man. I have to go.

Take the bow.

Titus.

One please.

Take it easy there.

Well, you hurt yourself.

Careful, next time, here's another one.

How do you do?

Some things happened. I know it the storm troopers, they helped me out. Wouldn't it be wonderful if they stopped hating us if they'd leave us alone and let us go about our business like we used to? Wouldn't it be wonderful if we didn't have to leave and go to another country? I don't want to go away. With all the hardship and the persecution, I love it here. Perhaps we don't have to go. Wouldn't it be wonderful if they let us live and be happy again?

Pizza.

Putin. Period. Thank you, Sharon. Sign up.

It's.

Nothing works. Not a decent pin, not even a sharp pencil. I'm surrounded by nothing but incompetent, stupid, sterile stenographers.

I'll get you a pen.

Don't bother.

I won't send it.

Get out. Get out. Get out. We've just discovered the most wonderful the most. Marvellous poisoned cats. It will kill everybody.

All right. Later, later, later.

These 76 to see here hitting.

Was that?

A lady, my secret agent.

Your secret agent? Tell her to come here.

Have B-76 come right in.

Hair twinkle.

Oh, garbage. What do you hear from?

Epstein, master, encouraging our agent reports that all the Board of Directors are Arians. So the loan is bound. To go through.

Good.

Hal hinkle.

Come here.

Beth, the men are planning a strike at the arms factory. Who's the leader? There were five of them.

Happened shot. They were Your Excellency.

Uh.

How many do you say we're? Going on strike the whole Factory 3.

Thousand of them have.

Them all shut. I don't want.

Any of my workers dissatisfied. But Your Excellency, these men are skilled craftsmen. Why not let them work till they can train others? And shoot them.

Cannot afford to be lenient. The whole rhythm of production will.

Be affected if. You shoot them now. Rhythm of production. All right, have your rhythms. Human structure operatives to spare the strikers and permit them to return to work, but to mark them for future reference.

That is my department I'll attend to that this waiver.

Strange, these strike leaders, they're all brunettes. But a blonde amongst them brunettes of travel makers. They're worse than the Jews and wipe them out. Too small. Not so fast. We get rid of the Jews first, then concentrate on the brunettes. Should never have peace until we have a pure Aryan race. How wonderful Germania. A nation of blue eyed blondes. We're not a blonde, Europa blonde, Asia, blonde America blonde and a brunette dictator.

Word.

Dictator of the world why not?

At Caesar at Nullus, the world is defeat. One out. Afraid no nation would dare to oppose you.

Take her to.

The world your destiny will kill off the Jews. Wipe out the brunettes. Then we'll come forth. Our dream of pure Aryan race.

Beautiful blonde Arians.

They will love you. They will adore you. They will worship you as a.

God, no, no, you mustn't say it. You make me afraid of myself.

Yes, dictator of the world will start with invasion of Ostovich. After that you won't have to fight. We can Bluff Nation after Nation will capitulate within two years the world will be under your thumb.

Believe me, I want to be alone. Caesar out nolas. Emperor of the world.

This is the Happy Hour programme. Make your work a pleasure. Move with the rhythm of music. Our next selection brahm's Hungarian dance #5.

\$0.15 please.

The Happy Hour Programme, now signing off at 6:00. All stations will carry adenoid hinkel's address to the sons and daughters of the Double Cross.

Seems like the old days again, don't it?

I wonder how long they're going to last.

Don't you read the papers? It is rumour that Hinckley is going to give the Jewish people. Back their rights.

Maybe, but you are.

Business is much better. Nobody interferes with this anymore. Now, don't that make you feel good?

No, Sir.

He told Mr Jacobis you're so used to bad times, you're unhappy without them.

Mary. Mary, get my Sunday shoes. You'll find them on the window sill.

I can't find the shop. Don't bother I.

Don't the shop.

What's going on upstairs?

Honour addressing your after go out this evening.

That's sure.

She's got a ball. Who is it? The Barber.

Now hang on.

Oh my dear those hands. What's the matter with them? Those caresses. They're so rough.

Maybe I better not go. Don't be foolish.

He knows you do house work. Wait a minute, I get a.

Pair of mittens from Mrs Myers.

Yes, little Jacob. Come in, Eddie. Yeah. See if he's ready yet. All right.

Not yet. He's polishing the bald man's head.

Bad news. The invasion of Ostrich will have to be delayed, but Epstein refuses to lend us the money.

Epstein refuses. Send.

Commanders. Epstein refuses. What did he say? He complained to the persecution of his people and said under no circumstances would he have any dealings in the mediaeval maniac.

He'll deal with the mediaeval maniac more than he thinks.

1st I shall deal with his people, Your Excellency.

Shoots call out the stormtroopers. We're going to stage a little mediaeval entertainment in the ghetto.

At such a time, Your Excellency, I think it's ill advised. What demonstrations of this kind are demoralising the whole country?

Indeed. And since when have you been so concerned about the ghetto?

I speak in the interests of our party and for the cause of humanity.

Shirts. You need a vacation.

Yeah.

Little outdoor exercise. She'll send you to a concentration camp.

Gods.

Police commander shoots under arrest.

Very well. But remember my words, your cause is doomed to failure because it's built on the stupid, ruthless persecution of innocent people. Your policy is worse than a crime. It's a tragic blunder.

Traitor. Traitor. Democrats.

Shoots. Why have you forsaken me?

Excellency, here are the notes for your speech.

Thank you.

Let's.

And not need them. What I say tonight will not be directed to the sons. And daughters of the Double Cross. But to the children of Israel?

Good evening. Good evening.

Goodnight.

Hi.

You know that Hinkle isn't such a bad feel.

After all, most amusing. Here you all get a single button, get a single button on each and every button.

Yeah.

Come on, let's hurry.

Wait.

No.

Hey. China, China.

What's that?

Turn off the radio.

Listen.

It's a storm troopers.

Thank you. Lock all the doors.

Here you men stay right here. You've got to make a stand.

Hi.

Swell Guy has to go on living like this.

We had a social call to make here.

Wait a minute.

What do you think you're doing? Managers gave strict orders not to molest anyone.

In this court, these Jews were attacking Stormtroopers.

I don't care what they were doing. The orders were to keep out of here.

There you saw that to.

Yourself. I can't help it. Those are Commander Schultz's daughters. Come on, let's get going.

What is? I know what is. I'm going to get that girl.

Out.

Out ah.

Did you hear that? He's arrested commander Schultz. Commander Schultz has been arrested.

Corrupted our commander. Vendor Schultz is under arrest, accused of treason. And you know why? Shoots was a friend of the ghetto. A friend of that Barber. Let's get the.

We want the Barber, we want the.

It's the stormtroopers. They're after you.

You better get up on the roof. Stay here.

Come on, you don't be a.

Fool, do you want to be murdered?

In the door. We'll give them Barbara haircut. No.

It was the barbershop.

Never mind, we can start again. We got our still, it's that's still a free country. Mr Jacob says it's beautiful there. Wonderful green fields and they grow apples and grapes. Mr Jacob's brothers got a vineyard mask each. And when Mr Jacob goes there said he'd take me with him. Now we can all go together. Would be wonderful living in the country. Much better than a smoky old city. If we work hard. And don't eat much. We can save money. Being by a chicken farm. There's nice money to be made in chickens.

Look at that *.

Isn't it beautiful?

One thing Hinkle with all his power can never touch that.

It's all right now because this clear. Listen, Commander Schultz escaped. He's hiding in my cellar. He's holding a meeting at midnight and he.

Wants you to be there.

Hannah, you 2 come down and help. Mrs Jacob with her supper.

Alright, I'll be done.

Don't understand it. This crazy midnight supper.

What does this command shows one of us?

He wants us to blow up the. Palace what?

We Jewish people shouldn't get mixed up in such a business.

I know it, but Commander Schultz is such a good talker. He has them. All hitting *****. I knew he was up to.

Some mischief, surely.

I came in the kitchen this evening and found him putting a coin in one of.

Your puddings? Putting a coin in one of the puddings.

But don't worry, I fixed everything. Wait and see.

Gentleman. May I claim your indulgence for a moment? We are here tonight to rid the country. Of a tyrant. In order to carry out this plan, one of us must die. In ancient times, the Aryan tribe of Langobardi ANS made human sacrifice to the God for. At a feast by lottery, the victim was chosen. Tonight at this feast, one of you will be chosen. Each

man will receive a pudding. Concealed in one of these is a coin. Whoever gets that coin must give up his life for the liberation of his people, but he will join the long line of history's noble matters. And will rid his country. Of a tyrant. I know that it is the wish of all of us to be chosen this night to die for Romania. Much as I should like to participate in this ordeal, I cannot.

Aye.

Don't you understand? He's too well known. Must be done by somebody like us.

I can't see it like that.

Gentlemen, this is a question of my honour. It's very embarrassing.

Commander Schultz, I apologise for my friend. And let me say, on behalf of myself and the others, that we consider it a great privilege to die for our country.

Very well, then, gentlemen, I shall now retire until fate has chosen the Liberator. Until then, Hailey or what am I say?

Gentlemen. We have pledged our honour. Proceed. Gentlemen. The coin is here. What's the meaning of all this? Somebody made a fool.

Of us, you're quite right.

I did what?

I put a coin in every pudding. Mr Jacob, blowing up palaces and wanting to kill people when enough trouble as it is.

Hannah's right. They've all been foolish. Our places at home, looking after our own affairs.

Goodnight.

Right.

What's this? Good morning.

By the people they're saying, commander's shots may be hiding in the ghetto. Here it is. Read it for yourself.

Good morning.

Good morning, Hannah here, read that.

Mystery still surrounds the disappearance of ex Commander Schultz at police headquarters. It was believed that the commander may be hiding in the ghetto. A certain Jewish Barber reported to be a friend of Schultz, is also wanted for questioning. Well, if it's just for questioning, can't be serious.

Myerberg was only wanted for questioning and we never heard of him since.

Who is it?

It's me, Mr me. Hello Jacob. How are you? Mrs Jacob, did you hear what they're saying in the papers about Commander Schultz hiding in?

The ghetto. I know, I know.

Don't you think that it's serious for you? If if they find them here? In the house.

To realise there are spies everywhere, spies.

What's the matter with?

Him.

You read he's wanted for questioning, boy.

The commander.

Is in the next room.

Let me tell. You. If Commander Schultz is found in this House, we all go to the concentration camp for life and get our heads cut off in the bar.

Am I giving you an argument then?

Get rid of him.

You can't throw him out.

Of course not. But I should like to know how long is he going to stay here, that's all.

Come your breakfast is on the table.

Mister Man, thank you. I have breakfast waiting at home.

Take the others out of the street and search every house.

Good morning. Good morning. What's wrong now? They're looking for Commander. Show commander.

It shows.

You're supposed to be hiding in one of those houses.

Well, they're always looking for somebody.

Who is it?

Open the door.

Quick, tell the commander.

Oh. Did you tell him? Yes. What is?

I'll meet you on the roof tonight, all right.

Ohh take this. Quick.

Open in the name of Hico.

Stop. Look where you are. Look where you are. My bag? You dropped it. Don't drop the other one. Don't drop the other one. My golf clubs, not my golf clubs. Come over there. They'll see you. Creep this way. Whoa.

I'll be careful.

You were like you didn't break your neck.

So pardon me. Sorry.

What should I?

Say, be nice, affable, pleasant.

Hello. Well, well, well. How are you? Fine. No, he hasn't been playing very much lately. He went round in 92. Really. You want to speak to His Excellency. Just now he's a little horse. No, no. I mean, he can't talk. May I take a message? He says no doubt you've heard of the movement of his troops on the ostrich front, and he'd like to discuss the matter with you.

Ask him to come here.

His Excellency would be delighted to invite you to tell me anyway, we would discuss the matter. Very well. I'll make necessary arrangements. Goodbye, your Excellency. He's coming.

Good.

We're giving the works, we're put on the greatest military show the world has ever known. Convinced of my strength, Nepali will leave the invasion of us. Tell it to me.

He is my husband. Hi.

At all cost, Nepal only shall not invade Ostovich. That country belongs to me. At this meeting we shall not discuss the ostrich situation. This interview is solely to impress upon him the force of your personality to make him feel your superiority.

Here.

This man alone is aggressive, domineering. Before we make our demands, we must put him in his place. Precisely. But how? By means of applied psychology, in other words, by making him feel inferior, this can be done in many subtle ways. For instance, at this

interview I have Sir arranged that he will always be. Looking up at you. You looking down at him at all times. Position will be inferior.

Excellent.

Then again, we should seat him here beside your bust. So that if you relax. That will always be glaring at him.

And.

Where is he now? Resting when he arrives. I have arranged that he shall enter from the far end of the room. Another psychological triumph. You would have the embarrassment of walking the entire. Length of the floor toward you.

Very good.

Yes.

His Excellency Senor Napaloni is now leaving.

His room. He's coming. He's coming. Quick, give me a flower.

A flower remember, at all times you must. Be above him before. Entering already you must.

Ah.

View through the glass.

Ceiling what's above the ceiling, the ballroom.

Any my summer fellas? I have a barbershop.

Is that so?

Yes. That also has glass walls. You don't tell me. Oh yes. With goldfish swimming inside.

Wherever goldfish swimming inside of the walls, out of your freedom.

You can't there all day. That's why I'm building a new Barber shop.

Very interesting, very interesting.

This is the Hinkle Stadium before half million spectators, the greatest display of arms the world has ever known. Marches by and review our beloved food. And I'll dig it. It's you're seated in the reviewing stand, thrilled by this historic event.

Hasselberg meet the army step into an automobile and crossover into Ostovich hearing and I will be waiting at the.

Capital to receive you best nephilims to remove his troops from the border.

That question will be decided tonight.

I'll see if I can find him. In the mean time, it might be advisable for you to dance with Madam Napaloni.

Huh.

Or carry weight. You mean I will carry weight? If you find it, let me know it works.

You're excellent.

Then I removed my troops from.

The border good. In other words, when your.

Troops off the border I sign. That's alright. Very good. Ohh, just the minutes. You don't understand. First, do we sign the Treaty? Then I remove the troops. Precisely. I sign when your troops off the border. Just the Minutes and spoke pretty. All there is. Now look. You assigned this a Treaty of first. Then I remove the troops are after. Well, what are we arguing about? You just sell. Remove the troops are first. Well, you don't expect me to sign while your troops are there on the border. You don't expect me to remove the troops until you assign. Why not? Why should I? Why shouldn't you? Ostrich is a free country. Your soldiers are there on the ostrich border and they'll stay there until you sign this. You take them off.

Gentlemen, this won't get us anywhere.

Your Excellency, to quote a no, let him look.

Thomas sandwich. Well, give me another one.

Can't we sit down and ask?

I guess I hear no what I thought to learn my own, enjoyed the life of that. You can't we sit down and discuss this thing without passion? I am another passionate. I am adjuster. That's all I want to sign the Treaty. I remove the troops. Can't you understand? What would make people think? Signing.

There it is. The village of Pretzel Berg. If we can pass through there, we're safe across the. Australian border, couldn't we go? Through the woods? Of course not. The woods are swarming with soldiers. They'd suspect us at once. We must face the music. If you see anyone don't look right or left, we must bluff our way through. Remember, you're a Stormtrooper. Here they come. Can you see what they're doing?

They're looking this way.

I'll pay no attention. Keep going.

The road ahead of us is well garnered and at the back of us at 200 tanks, 50 armoured cars and. 500 machine guns. Good, good. I'll be ready to start.

Yes, yes.

Gentlemen. I'm certainly happy to see you with. Us again, thank you.

You're invading austerlitz.

Is it coming? Hello. Oh.

Next, let's.

See, the world awaits your world.

What's happened to him? It looks.

Strange and what she's doing here.

Pardon, I suppose.

His Excellency, her garbage, secretary of the Interior, Minister of Propaganda.

Corona Venac Directus victory shall come to the worthy. Today, democracy, liberty and equality are words to fool the people. No nation can progress with such ideas. They stand in the way of action. Therefore, we frankly abolish. In the future, each man will serve the interest of the state with absolute obedience. Let him who refuses beware. The rights of citizenship will be taken away from all Jews and other non Arians. They are inferior and therefore enemies of the state. It is the duty of all true Arians to hate and despise them. Henceforth, this nation is annexed to the Dominion Empire, and the people of this nation will obey the laws bestowed upon us by our great leader. The dictator of Tomia, the Conqueror of Austerlitz, H the future emperor. Of the world.

You must speak. I can't. You must. It's our only hope.

I'm sorry. But I don't want to be an emperor. That's not my business. I don't want to rule or conquer anyone. I should like to help everyone if possible, Jew, Gentile, black men, white. We all want to help one another. Human beings are like that. We want to live by each other's happiness, not by each other's misery. We don't want to hate and despise one another. In this world, there's room for everyone, and the good Earth is rich and can provide for everyone the way of life can be free and beautiful. But we have lost the way. Greed has poisoned men's souls, has barricaded the world with hate. Has Goose stepped us into misery and bloodshed? We have developed speed, but we have shut ourselves in machinery that gives abundance has left us in want. Our knowledge has made us cynical, our cleverness, hard and unkind. We think too much and feel too little, more than machinery. We need humanity. More than cleverness, we need kindness and gentleness without these qualities. Life will be violent and all will be lost. The aeroplane and the radio have brought us closer together. The very nature of these inventions cries out for the goodness in men cries out for universal brotherhood, for the unity of us all. Even now my voice is reaching millions throughout the world. Millions of despairing men, women and little children, victims of a system that makes men torture and imprison innocent people. To those who can hear me, I say, do not despair. The misery that is now upon us is but the passing of greed, the bitterness of men who fear the way of human progress. The hate of men will pass and dictators die, and the power they

took from the people will return to the people. And so long as men die, Liberty will never perish. Soldiers don't give yourselves to brutes. Men who despise you and slave you who regiment your lives, tell you what to do, what to think and what to feel. Who drill you, diet. You treat you like cattle, use you as cannon fodder. Don't give yourselves to these unnatural men. Machine men with machine minds. The machine hearts. You are not machines. You are not cattle. You are men. You have the love of humanity in your hearts. You don't hate only the unloved hate, the unloved and the unnatural. Soldiers don't fight for slavery, fight for liberty. In the 17th chapter of Saint Lucas is written the Kingdom of God is within men. Not one man nor a group of men. But in all men in you, you the people have the power, the power to create machines. The power to create happiness. Who the people have the power to make this life free and beautiful to make this life a wonderful adventure. Then in the name of democracy, let us use that power. Let us all you. Right. Let us fight for a new world for decent world that will give men a chance to work. That will give you the future and old age of security by the promise of these things, brutes have risen to power, but they lie. They do not fulfil that promise. They never will. Dictators free themselves, but they enslave the people. Now let us fight. To fulfil that promise, let us fight to free the world, to do away with national barriers, to do away with greed, with hate and intolerance. Let us fight for a world of reason, a world where science and progress will lead to all men's happiness. Soldiers in the name of democracy let us all unite. Hannah. Can you hear me? Wherever you are.

Look up Hannah.

The clouds are lifting. The sun is breaking through. We are coming out of the darkness into the light. We are coming into a new world. A kindly a word. Where men will rise above their head, their greed.

Brutality.

Look up Hannah. The soul of man has been given wings and at last he is beginning to fly. He is flying into the rainbow. Into the light of hope. Into the future. The glorious future. That belongs to you, to me. And to all of us. Look up Hannah.

Look how.

Anna.

Did you hear that?

Listen.
