Speaker 1

It's my turn for breakfast this morning, Gromit. I'd like the three minutes there.

Speaker 2

Ow! Gromit! Ow.

Speaker 1

That went as well as could be expected, didn't it? So I might have to make a small adjustment to the drop, a touch painful on re-entry. cracking toast, Gromit. Any post was there, perchance? Oh, dear, a bit steep. Oh, my goodness. Well, I bet they're all bills. Oh, dear, oh, dear me. We shall have to economise, Gromit. I'll have to let that rum out. Oh, dear. Oh, just look at that. I'm down to my last few coppers. And those presents weren't cheap either. Well, Gromit, Let's see what's on the 905, shall we? Here he comes now. I wonder what this can be. Happy birthday, Chuck. I knew you'd like it. Here, let me help you. You look like somebody owns you now. And that's only the first part. Come and look in here. I think you'll find this present a valuable addition to our modern lifestyle. They're techno trousers, ex-NASA, fantastic for walkies. All you do is attach the lead on here, then program in, which is 10 minutes, 20 minutes.

Speaker 2

Have a nice walk, Robbit.

Speaker 1

It's no use prevaricating about the bush. Nice walkies. How are the techno trousers? Oh, there's someone at the door, Gromit. I wonder who that could be. Oh, it's about the room then. Well, that's grand. Would you like to come this way and inspect? I'm asking 20 a week. That will include your breakfast. I suppose you like kibbles, do you? Partial to a nice black pudding to serve. With bacon, of course. I'm sure that we could come to an amicable agreement. As I say, it's a bit dingy at present. But it's surprising what a little paint will do, isn't it? Oh, but I don't think... It wasn't quite what we had in mind. Wouldn't you like to see... Oh, dear. Look, there's something I've got to tell you. It's no pets. Does that suit you? Same as pleasant enough. Cheer up, Gromit. Surprising what a lick of paint will do, isn't it? So that's where my braces went. Wonderful things, these techno trousers. Oh, I'm sorry. Lovely morning, Gromit. Thank you very much. That's just grand. Oh, thank you kindly. What do you think of that then, Gromit? Our paying guest. Nice drop of bordo this. Here's to paying guest. More cheese, penguin.

Speaker 2

Good night, penguin. Sleep well.

Speaker 1

That was lovely cheese. It's the wrong trousers. The wrong trousers. What have you done with the controls, Gromit? No, that'll do. Just hold on a minute. Stop it, Gromit.

Speaker 2

Stop these confounded things. This isn't funny, Gromit. The joke's over! Get me out of these... Blummy day! Whoa.

Speaker 1

It's the wrong trousers, Gromit, and they've gone wrong. Stop them, Gromit.

Speaker 2

Stop them! Help me, Gromit! The trousers have gone haywire! Get me out! Help.

Speaker 1

Oh, I'm tired. Oh, a good doze. That's what I need.

Speaker 2

Get me strength back.

Speaker 1

What a... what a shocking calamity...

Speaker 3

Calamity. .

Speaker 2

What's the game, then? Where am I? What's going on?

Speaker 4

I must be dreaming. Where's the devil am I? Oh.

Speaker 2

What? Great devil's a problem. Whatever is it? Help! Get me down! Help! What's the king? King? Where am I? That's quite enough. You'll be hearing from my solicitor about this. Don't mind how you go. You can't go taking liberties like this. I'm a respectable citizen.

Speaker 3

It's definitely not legal.

Speaker 1

Good grief, it's you.

Speaker 2

Now, let me out of these trousers this minute. Steady off, will you?

Speaker 1

This wardrobe nearly new, you know. Let me out. I'll give you what for, you tight. Excuse me? Hello? Yes, I think so, too. Hey! Well, this is a fine how-de-do, isn't it, Gromit? Steady on. Watch where you're putting them paws. Oh, oh, careful, Dad.

Speaker 3

Oh, oh.

Speaker 5

Oh, goodness, it'll ruin the woodwork.

Speaker 2

Oh, there goes me knotty pine. Where are we going? I can't see a thing. What's happening?

Speaker 4

Catch me rubbish.

Speaker 2

Don't worry, Gromit! Whoa! What if I'm you? Whoa.

Speaker 4

And in the grommet, everything's under control...

Speaker 2

I'll have that, if you don't mind, eh? Huh? Whoa.

Speaker 4

Taddy-ho.

Speaker 2

Please him to me, I'll get the mud up. Get him from it. Ow! Gromit! Oh! Who mind the table, Gromit?

Speaker 3

Gotcha.

Speaker 2

Huh? Well done! We did it! Ha-ha.

Speaker 1

Thank you, old friend. Many thanks indeed. That reward money paid off all our debts. No more lodgers or more trouble than they're worth. I could just fancy some cheese, Gromit. What do you say? Tedda. Don't forget the crackers. All's well that ends well, that's what I say. Oh, I do like a bit of gorgonzo.

Speaker 6

They're back and they're over the moon for a grand day out. That's tomorrow at 1.50. Next we're going back to school, but don't worry, it's just for our afternoon movie. Nativity follows in a moment.
